

Jim Barnes Leads Crack Field of "Pro" Golfers in First Half of Shawnee Tournament

Brady Trails Champion Of West by Two Strokes

St. Louis Star Shows Way With 144 for 36 Holes; Gil Nicholls, of New York, Turns in the Best Round of 71; Hagen Is an Absentee

SHAWNEE-ON-THE-DELAWARE, Penn., July 15.—Playing with almost machine-like accuracy, Jim Barnes, of Sunset Hill, the Western open champion, showed the way to a high class field of professionals in the open golf tournament at the Shawnee Country Club to-day. The tall Briton from St. Louis, with two rounds of 72, returned a total of 144, two strokes better than his closest rival, Mike Brady, of Oakley.

With the exception of Walter Hagen, who returned to Detroit, the field here looks much like the metropolitan open championship did last week at North Shore. Barnes did not play in that event, nor did Fred McLeod, the former national titleholder from Columbia, who is also here.

When the first half of the struggle ended to-day the pace had been so fast that the strong players, Emmet French, of York; Charles Hoffer, of Philmont; and Will MacFarlane, of Port Washington, L. I., who finished second, third and fourth respectively in the metropolitan, found themselves quite a distance from the lead.

One of the bright spots of the day was the 71 by Gil Nicholls, of New York, in the morning round. The veteran, who won this tournament a number of years ago, went out in 36, thanks to "birds" at the fifth and eighth holes, when he sank fairly long putts. He had a 6 at the long tenth, but thereafter he went so fast as to make the new hands look like amateurs.

There is a special prize of \$25 for the best single round of the tournament and there are many willing to predict that this 71 will not be beaten tomorrow. Nicholls' card was as follows:

Out 4 5 4 3 5 4 2 5 38
In 4 4 4 4 4 4 4 4 36
Total 82

Later on Nicholls could not do better than 77, which places him tied for third place with Wilfred Reid, of Wilmington, each having 148. In the afternoon Nicholls and Alec Campbell, of Baltimore, playing together, got 2's at the waterhole.

Barnes and Brady were paired together and this combination attracted the gallery. Although a long hitter, Barnes on Brandy was a man who was driving a great ball, some of his tees shots creeping up to the 280-yard mark. Going to the home hole in the morning Barnes led the Oakley "pro" by two strokes, but Mike backed up one of these, finishing with 3 to 4 for the Briton. The latter, therefore, had 72 to Brady's 73.

A rare string of fours marked Barnes' start after luncheon. There was no break in the sequence until he got a 3 at the short eighth, but a 5 at the ninth, where he shovled a second shot to the rough, gave him 36 to the 39.

In the mean time, Brady had taken 39 to the outward half, but he then proceeded to pick up three strokes by getting a fine 4 at the 665-yard tenth and another 4 at the eleventh. Barnes took three putts at the tenth hole for a 6 and missing another on the eleventh green had to be content with a 5.

The big fellow came right back by bringing off a good putt for a 2 at the twelfth hole, and making no mistakes thereafter. Finishing his journey in 38, Brady got a neat 2 at the 220-yard home hole, Barnes missing his try by a hair's breadth. That gave him another 72 and Brady his second 73, their cards reading as follows:

Jim Barnes, Sunset Hill 72-72-144
Mike Brady, Oakley 73-71-144
Gil Nicholls, New York 71-77-148
Walter Hagen, Detroit 72-76-148
Charles Hoffer, Philmont 74-74-148
Will MacFarlane, Port Washington 75-73-148
Emmet French, York 76-72-148
Fred McLeod, Columbia 77-71-148
Alec Campbell, Baltimore 78-70-148
Walter Hagen, Detroit 79-69-148

When Barnes was off putting, had all the speed and won with something to spare. Fred Colton, who had been in the lead, was out of the race. Colton was out of the race in the early morning. Bright Gold fired from chasing who Barnes' opponent was out from the start.

Fator Pilots Two Winners At Empire City

Hildreth Jockey Wins Tarrytown With War Zone and Scores With Who Cares

By W. J. Macbeth

Jockey L. Fator, whose services were purchased the day previously for \$15,000 by Samuel C. Hildreth, piloted Mrs. C. W. Starr's War Zone to victory in the Tarrytown Selling Stakes of \$2,000, the feature race of yesterday's programme at the Empire City track.

Fator was as busy as the proverbial fly on the sugar bowl. He had a mount in each of the six events, and though he also won the brackets with Who Cares in the opening race his horse's performance generally did not command the usual attention of his admirers, despite the fact he won two races, he likewise took croppers with two heavily played favorites.

The biggest spill, and perhaps the biggest upset of form that has developed in a con's age, had to do with the defeat of Sam Hildreth's Lucullite in the Tuckahoe Handicap, a mile. Lucullite is one of the very best horses in training, and with a heavier stronger boy in the saddle the layers would have been justified in quoting the 2 to 7 named against the brown colt's chances.

A present for James Butler When Hildreth put up Fator, however, he practically presented James Butler's Bally with the race. Nothing but the inability of the rider to lead the horse steady can excuse the disappointing performance of the son of Trap Rock. Lucullite was beaten a good length in 1:34 1/2, decidedly ordinary time for him. And it may be said in passing that it takes the spirit of generosity and friendship to excuse Lucullite's performance on his rider's account alone.

Lucullite, compared with the horse that performed at Aqueduct, behaved almost as ridiculously as Mary Maud that trailed the field of four home, and Mary Maud, going to the post, looked as if she were heavy in foal. It was a disastrously disappointing race any way one cares to look at it—unless, perhaps, he be of the Butler kind.

The fat Mary Maud and Lucullite raced together the first quarter of the journey. Mary Maud decided to wait for something softer and dropped back to talk to Trotter. Fator, who had the early pace with Bally. He made his run around the far turn, and finally joined issue with the pacemaker as they swung into the head of the stretch. For some reason Lucullite wouldn't untrack himself for Fator when challenged, and quit cold, something unusual for him.

As to War Zone's victory in the Tarrytown, Nolan made it a lead-pipe cinch for Fator. This event was at a mile and seventy yards. Nolan went out with Youned, the favorite, as if he had the field of four home, and finally joined issue with the pacemaker as they swung into the head of the stretch. For some reason Lucullite wouldn't untrack himself for Fator when challenged, and quit cold, something unusual for him.

Youned was dizzy and dying when he hit the far turn. He was lucky to finish at all. As it was, he was only beaten a length by War Zone, which Fator rated nicely off the pace until he saw the pacemaker staggering.

Big Plunge on Dorcas The second race, at a mile and seventy yards, was a very suspicious looking affair. Not a nickel showed for Paddy Whack, the odds-on favorite, while a great plunge was made on Dorcas. But any coup that may have been contemplated was spoiled by Mars Cassidy, who perhaps has spoiled more races this season than any hundred men you can name in the history of the turf. Cassidy was guilty of one of the most atrocious starts of his startling career of many.

Dorcas, turned crosswise of the track, was left at the post. Kummer took everything Dorcas had in racing up to the front down the backstretch, while Fairbrother sat still, centering on the favorite. However, in the stretch, when Dorcas folded, the favorite was able to tipple in as he pleased.

President Charles A. Stoneham, Manager McGraw and all the Giants were in attendance. Stoneham knocked the oral layers dead when his Adele beat the field of eighteen in the fifth race, at about six furlongs. Adele was backed from 8 to 1 to win. Nolan got the filly off winging from an outside position and tin-canned all the way. The big boss wanted all his hired help to string along with him, but they listened to McGraw, who could see nothing but Green Gold, the favorite, and Fator's mount. This was off in the middle of the deck and never got clear.

The oral layers were given another dose of sick headache when Lovely, of the Dosoris Stable, sprang-angled the field in the five furlongs curtain number. This one was backed from 3 to 1 to 17 to 1. Ted Rice got off well, opened up a good lead before the first turn and won as far as he pleased.

Australian Net Stars to Miss Longwood Meet

Brookes and Associates to Sail on the Adriatic, Due Here on July 28

BOSTON, July 15.—The Australian tennis team, headed by Norman E. Brookes, will not reach this country in time to participate in the Eastern doubles championship tournament, which begins at the Longwood Cricket Club next week. Efforts are under way, however, to make it possible for them to attempt qualification for the national doubles title in a later sectional tournament.

Secretary Richard Bishop of the Massachusetts Tennis Association had announced early in the day that the Australians were en route to America and would be here in time to compete in the Eastern tournament. Later, however, he said they had missed the steamship Aquitania and had called that they were sailing on the Adriatic, due in New York on July 28.

United States Lawn Tennis Association officials were requested by Secretary Bishop, in response to a request contained in the cablegram, to arrange for the entry of the Australians in the sectional doubles tournament scheduled to be held between the probable date of their arrival and August 11, when the national doubles championship play begins at Longwood.

It was assumed the start of one of the sectional meetings be postponed, if necessary, to allow the Australians an opportunity to qualify for national honors.

In doubles competition in this country Brookes will play with Gerald A. Patterson, the youth who defeated him in England recently, and R. A. Thomas and R. Lyette will form a second Australian combination.

The team which wins the sectional championship will qualify for the national doubles title tournament, to be held at Longwood in August.

Maryland Track Goes to New Owners Who Pay \$250,000

The Thoroughbred Horse Association of America, composed principally of citizens of Maryland and Virginia, completed a deal Monday night whereby it secured control of the Havre de Grace, Md., track. The present owners paid \$250,000 for 51 per cent of the stock.

It was announced yesterday that the racetrack in future would be operated under what was termed the Simms plan (Mr. Simms being one of the directors now in control), which would limit profits to 10 per cent of the investment. The surplus revenue is to be used in making the plant one of the picturesque landmarks of the East, and in the propagation, development and encouragement of the breeding industry.

Murphy at Reins Of Two Victors in Kalamazoo Races KALAMAZOO, Mich., July 15.—The opening day of Kalamazoo's twelfth annual Grand Circuit meeting was featured by the victory of Direct C. Burnett, Murphy's entry, in the 2:13 race. He won in straight heats and the time, 2:03 1/4, 2:03 1/4 and 2:05 1/4.

Murphy made it two victories for the day by capturing the 2:15 pace with Sanardo. Belle Alcantara was picked to win the 2:15 pace, but South Bend Girl took the event handily. The 2:12 trot, raced on the half-mile track, was stubbornly fought and went four heats before being decided. It turned out to be another upset, for the favorite, Miss Woodbine, was never dangerous, and Peter Biliken won the first, third and fourth heats.
